O R D E R:-

In the G.O. cited, the Government empowered the Commissioner of Labour to award eight scholarships annually to Scheduled Caste Student for Co-operative training and education at the rate of two for each of the Co-operative Training Institutes at Combatore, Rajahmundry, Tanjore and Anantapur. The Madras Provincial Co-operative Union has suggested that if Harijan students are not available the scholarships may be awarded to candidates belonging to Backward Classes. The Government consider that the allotment intended for scholarships to Harijan students should not be diverted to other purposes and that the members of Backward Classes should be awarded the required number of scholarships for Co-operative training and education from the 5 lakhs provision for 1949-1950 set apart for the amelioration of the conditions of these communities.

2. The expenditure involved will be met from "47-Miscellaneous Departments - Lumpsum provision for ameliorative measures for Backward classes."
